Concept Veneers and Colours

SUPAFINISH

Concept Veneers & Colours

Affordable, hard wearing, tried and tested in 1000's of projects from the most budget conscious to the most prestigious.

- ✓ Available in several timber finishes, black, white and silver.

To see the colour range click here...

- ✓ Appearance of natural timber veneers without variations in grain, shade and gloss.
- ✓ No VOC emissions.
- ✓ Applied to the panel edge to create a seamless edge.
- ✓ No compromising of the high standards expected in prestige projects.

Prestige projects include:

- ▶ Customs House Library, Sydney NSW, winner Property Council of NSW Development of the Year award and RAIA Merit Award Commendation for Conservation, used Supafinish White and Cracked Cherry.
- ▶ Gold Coast University Hospital, Southport QLD, winner of Regional Commendation and Building of the Year Awards, used in Supafinish Fusion Maple and Tasmanian Oak.
- ▶ Cathedral School Bathurst, winner of the MBA award for excellence, used Supafinish Tasmanian Oak, Smooth Mahogany and White.
- ▶ Barker College, Gordon NSW used Supafinish European Beach, Fusion Maple and Hoop Pine.
- ▶ Penrith Anglican College, Orchard Hills NSW used Supafinish Hoop Pine.
